THE GREAT NORTHERN HOTEL

ABSOLUTELY FIREPROOF

QUIET, REFINED, EXCLUSIVE

This hotel offers all the conveniences and comforts of a perfect home at moderate cost. Its construction is modern and up to date and every detail was given careful attention. Each sleeping room has a private bath, with shower attachment, running ice water, long distance and local telephones, and an abundance of light and air with perfect ventilation. The public rooms and corridors on the main floor are spacious and artistic reproductions of the Louise XIV, Elizabethian and Marie Antoinette periods. The dining-room is one of the most beautiful in New York and reasonable prices prevail—this is also true of the Grill and Buffet rooms. Quiet, unobtrusive service is a feature of these rooms as well as throughout the house. Patrons are invited to inspect our cuisine department, which is admittedly perfect in its appointments.

The Great Northern is located on West 57th, one of New York's most exclusive residential streets, yet within easy distance of the business, shopping and amusement districts. The hotel is within a minute's walk of the surface-cars and elevated trains, but free from the noise of either. Fifth Avenue Motor Busses en route to Riverside Drive and Fifth Avenue pass the door and the house is but two short blocks from the entrance to Central Park. There are over 400 outside rooms and a single room with private bath may be had at \$2.50 per day; double room with private bath at \$3.50 per day; larger suites in proportion. Requests for further particulars solicited.
